

Hawkesbury Canoe Classic

24 & 25th October, 2009

Result Booklet

Another fantastic Hawkesbury Canoe Classic has come and gone.

The 2009 Classic has turned out to be a bumper event in terms of both participation and in funds raised.

We had over 600 paddlers in this year's Classic, many of those participating for the first time.

Each and every one of the paddlers commands hearty congratulations, regardless of how far they paddled.

Getting yourself out of your comfort zone and taking on the 111km stretch of the Hawkesbury from Windsor to Brooklyn, especially at night, is a pretty damned good feat in itself.

I would like to acknowledge the magnificent efforts of the HCC Race Committee, headed by Race Director, Caroline Kessler, which continues to astound with their cool, clear-headed organisation and control of the event. The ability to bring together so many volunteers from different organizations is a very special skill.

The Race Committee meets throughout the year to ensure the safe and smooth running of the Classic. The members of the Committee give generously and selflessly so that we paddlers can have a nice little evening under the stars !!

It was yet another dark night on the river but I am reliably informed that next year brings a full moon and favorable tides.

Again this year we saw some awesome performances with the first boat down the river in 8hrs 49mins 58 secs. The last boat home got in just after 12.00 noon.

Of interest is the fact that John Koorey, the first Australian male to swim the English Channel, together with Philip Stokes, completed the event in 10hrs 02mins 57secs.

Worthy of special note was the performance of a spritely and coy young lady of 76 years who completed the event in good time. Inspirational stuff !!

At the time of going to press with this booklet we do not have final fundraising figures but from all indications the GFC has no affected people's generosity when it comes to worthy causes such as the Arrow Bone Marrow Transplant Foundation. We are very hopeful of beating last year's donation to Arrow of \$185,000.00.

Enjoy a short break and get back into it after Christmas. Let's make the 2010 Classic the biggest ever.

Thanks again to everyone involved.
