We are proud to acknowledge The Queanbeyan Hotel as one of our sponsors. Top Pub, as it is affectionately known by locals, has been Queanbeyan's favourite neighbourhood pub since 1927 and a strong supporter of local sport and community.

Top Pub was originally built to house workers who had moved to the area to build Canberra and quickly became a favourite watering hole for the whole region because of the prohibition of the sale of alcohol in the ACT at that time. Top Pub became a magnet for residents of Canberra who flocked across the border to drink and buy alcohol. Today, Top Pub is a favourite neighbourhood family eatery with bar and accommodation options.

The 2026 PA Canoe Marathon Presentation Dinner will take place in the original dining hall which has been preserved to capture the family friendly environment for which the Hotel is famous. Top Pub is located near the Queanbeyan Railway Station, a heritage listed facility which was opened in 1887 and is known for its architectural significance and historical importance. Top Pub is a major sponsor of the Marathon Championships so please support this event.
